The Lorna Diamond shower screen is streamlined, sleek and modern; a style that has been popular for decades for space saving and solving design dilemmas. The Lorna Diamond shower screen fits perfectly in the corner of your bathroom, the unique diamond shape designed to maximise space and provide a contemporary look and matches with a diamond shower base. The central door has a swivel hinge and the streamlined aluminium frame has the added benefit of being easier to clean than a completely framed screen, with fewer nooks and crannies for mould and soap scum to build as it is fully framed. The 6mm toughened glass offers a clean finish that completes any bathroom style.
