The Missouri is a stylish and impressive toilet suite, featuring a streamlined design and gloss white finish. It features a unique rimless design with a high end Geberit flush system for an easier to clean toilet. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.
