You are in the right place if you are looking for a vanity that is clever, stylish and will leave your bathroom with a sense of space and elegance. The Ellamay vanity unit has been specifically designed for a narrow bathroom and yet deliver a designer punch. Featuring the unique and high end hardwood benchtop, it has been crafted to give you a sense of grandeur and simplicity at the same time, this vanity unit is a true modern day masterpiece. The matte white cabinet features soft closing drawers and the basin is semi-recessed to give you the best of both worlds – a full basin for bathroom function and a narrow cabinet to save you space. It would be fitting in a scandi bathroom (Scandinavian) or even compatible with most bathroom styles you can rest assured the Ellamay timber box vanity is ideal for your new bathroom space. Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

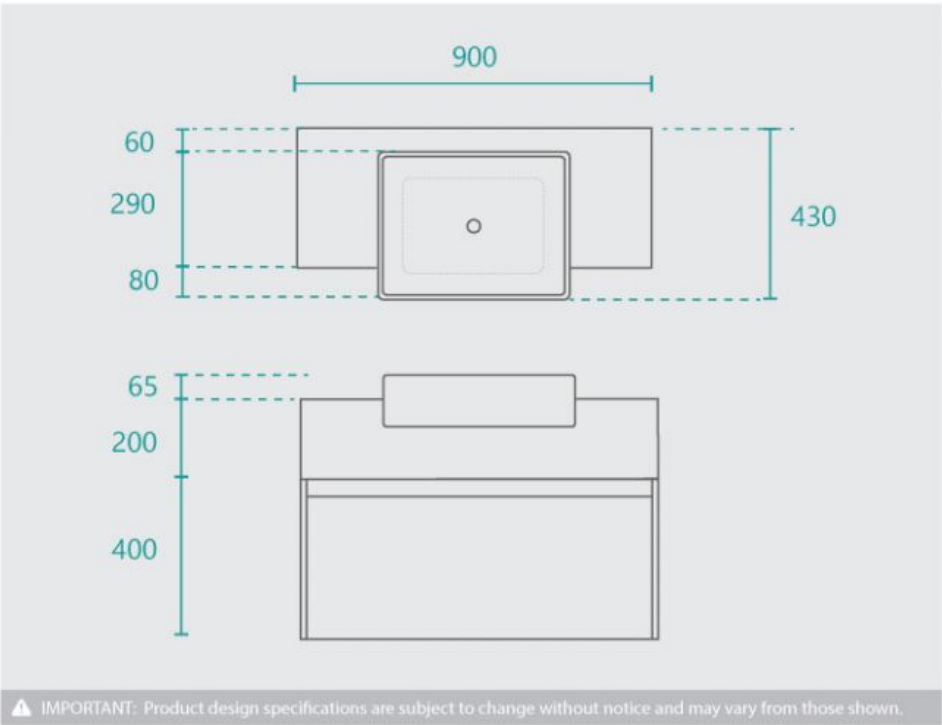

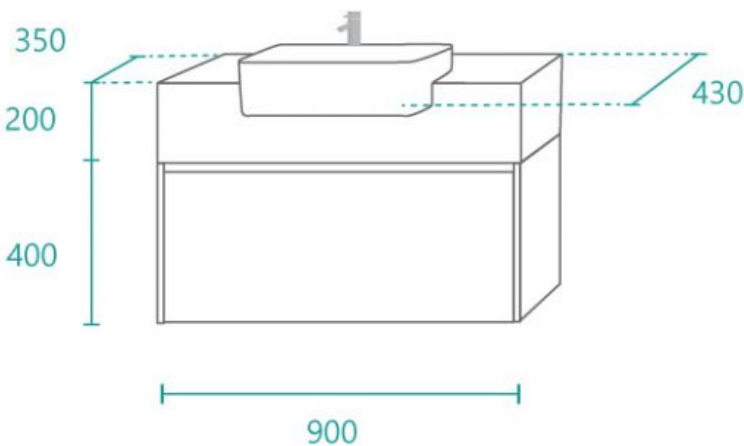

**To install the semi recessed basin/s the benchtop provided is required to be cut out. When installing please ensure you measure correctly before cutting & that you leave appropriate allowance to install your mixer tap.*

***Please note that timber samples may differ from the actual product due to natural variations. Colours displayed online may appear different due to screen settings. For ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. No holes are drilled in timber tops for greater installation flexibility.*
