The Arlington is a stylish and impressive toilet suite, featuring a rounded, rimless design and gloss white finish. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.

P Trap - 180mm

S Trap - 90-230mm range P to S Trap converter (included)

See item image for specification information

\* inwall cisterns, valves, seats, button assembly, links, flush pipes and other internal components which carry a 3 year replacement warranty.

*\*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.*

A side-by-side comparison of two toilet bowl designs. The top image, labeled 'Standard Washdown', shows a bowl with a raised rim and a visible overflow rim. The bottom image, labeled 'Rimless', shows a bowl with a smooth, continuous curve from the rim to the base, eliminating the overflow rim.
