The Palazzo vanity is a modern and stylish unit that not only makes a statement but provides excellent storage space. With two soft closing drawers and a large basin, this vanity unit will suit a smaller bathroom or ensuite. If you're renovating an ensuite and main bathroom, take a look at the larger Palazzo units, available in 1500 wall hung or 1500 freestanding.

Tap and waste fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.

**Please note that stone and timber samples may differ from the actual product due to natural variations and batch differences. Colours displayed online may appear different due to screen settings. Standard stone and timber benchtops are supplied without holes, allowing for installation flexibility. Custom stone benchtop orders will be dispatched within 15 business days. For ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received.*
