This modern one panel shower screen is an excellent alternative for the wet room, this extra thick glass screen has been designed with minimal clips to secure this screen into place yet still providing the desired finish. The screen has no frame, providing you with a clear, unobstructed, ultra modern look. The easy to clean design will not only add to the overall appearance and feel of your bathroom but will make cleaning the bathroom a breeze. Also available various other sizes for the perfect fit in your bathroom or ensuite. Made from 10mm toughened glass your shower not only has a clean finish, but is designed to reduce the potential for water leakage without installing a complete enclosure.

Shower fittings shown in the photos are for illustration purposes only and are sold separately, add them to your order to complete your look.
