The Missouri is a stylish and impressive toilet suite. Featuring a streamlined design and premium matte white finish, this contemporary piece levels up the sophistication of your bathroom.

The Missouri toilet suite features a unique rimless design with a high end Geberit flush system for an easier to clean toilet. At the convenience and simplicity of no rim, the rimless toilet makes for a significantly easier clean. With a direct flush technique, the flush washes the entire pan more efficiently stopping the build-up of grime, bacteria and limescale that would be found in toilets with a rim.

P Trap - 180mm

S Trap - 90-200mm range P to S Trap converter (included)

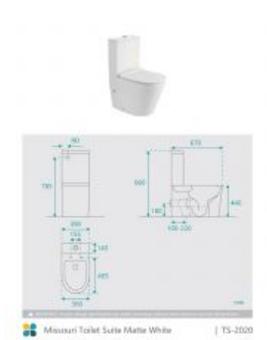

See item image for specification information

* inwall cisterns, valves, seats, button assembly, links, flush pipes and other internal components which carry a 3 year replacement warranty.

*Please note that for ceramic products, specifications must allow +/- 10 mm tolerance for manufacturing variance, it is recommended to use measurements of the actual product received. Colours displayed online may appear different due to screen settings.

<p>Hygienic The rimless design allows for a superior flush on the entire bowl, eliminating any standing water where germs can thrive. The rimless design is easy to clean & free from hidden nooks of grime & bacteria.</p>	<p>Quality Flushing The rimless design of the toilet provides a complete 360-degree flush for more efficient flushing & reduced backflow caused by accumulation of grime.</p>
<p>Soft Close It soft close seat will allow the seat to close to prevent noise, minimize air splashing & prevent the seat from being pulled to the bottom of the tank to prevent damage.</p>	<p>User Friendly The soft and quiet silent system that allows the seat to be raised from the seat for a comfortable, smooth & better seat of viewing.</p>
<p>Easy To Clean The high gloss finish has been specifically formulated to resist dirt, staining, mould & odours. The smooth surface is easy to clean making a perfect looking toilet that lasts for years.</p>	<p>Water Efficient The soft and quiet silent dual flush system provides control over the amount of water used in each flush to help reduce water wastage while providing ultimate performance.</p>

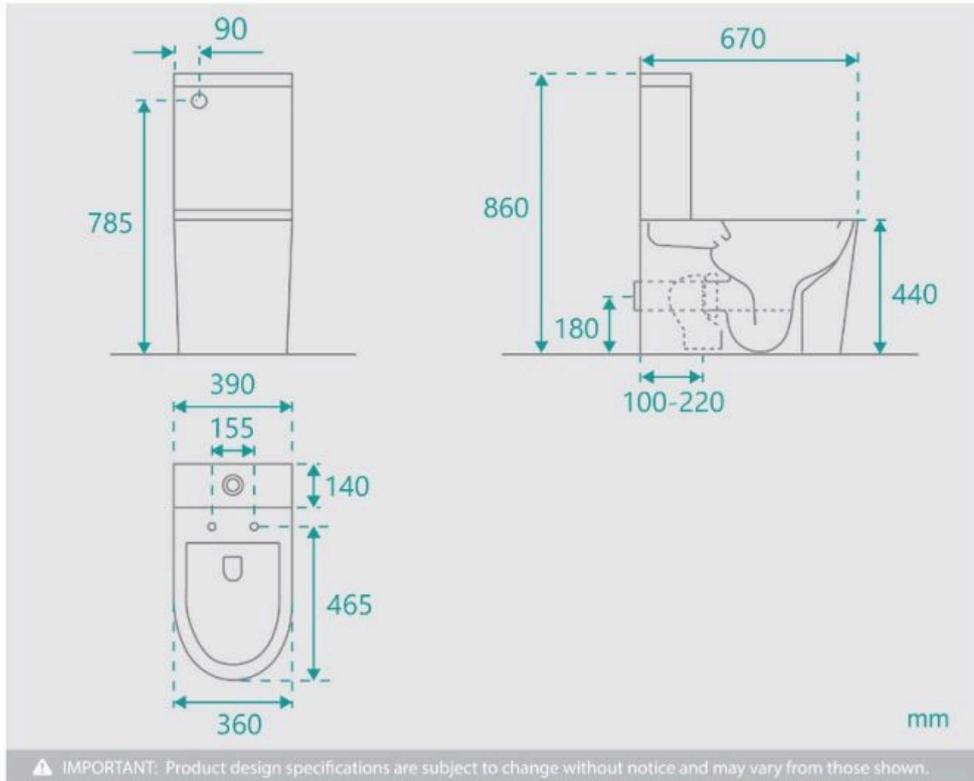

The more stars the more water efficient
