This solid timber framed mirror cabinet will create a sense of warmth and luxury to your bathroom. Modern in design yet crafted by hand, you cannot overlook its quality and the premium feel it will bring to your space. The streamlined shape and mitred corner details accentuate the natural beauty of timber. The cabinet features a timber open shelf that will allow you to style the space beautifully, and also provide a practical landing space for high use items. With large-sized mirror cabinets with plenty of inner space, this mirror cabinet is not just beautiful but practical.

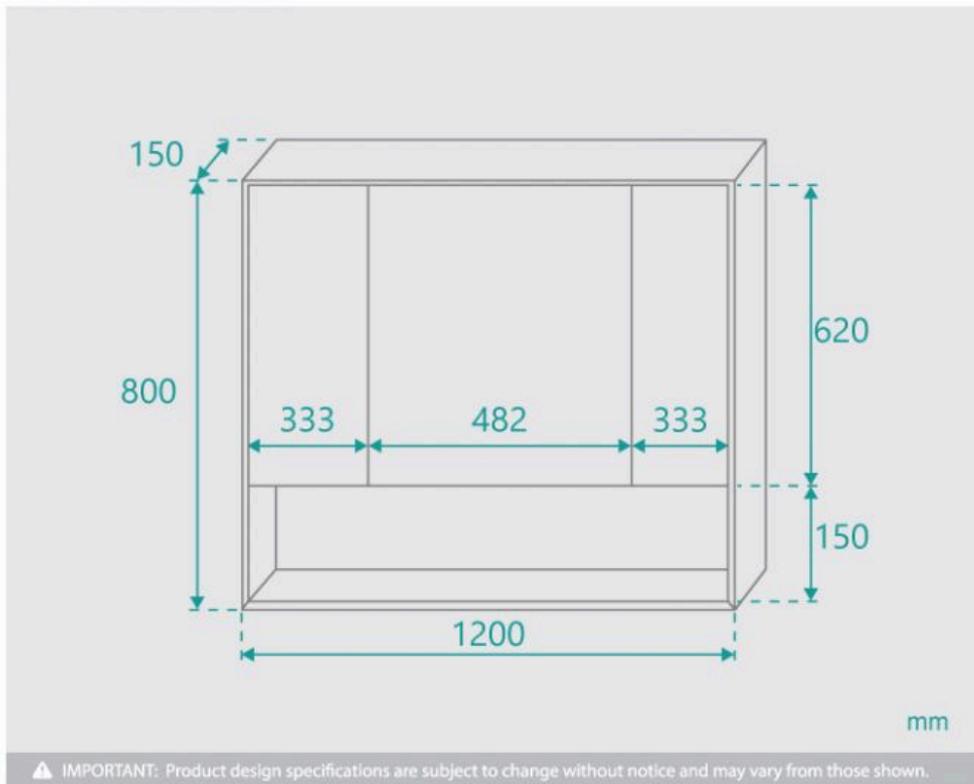

Unit is assembled and ready for installation. It can be wall mounted, alternatively this cabinet can be recessed into the wall.

Timber samples shown may vary from the actual product as each unit will have its own natural characteristics. Natural variations in pattern and colour must be expected in timber, this variance is important to consider when buying more than one natural timber product. Please also note that your monitor may display colour differently.
