Our Toronto Baby Bath Sink is made from stainless steel and is tailored for use in hospitals, shopping centres, day care centres, public facilities and caravan parks.

Made from 304 Grade stainless steel for durability and sanitary purposes, the fully welded seamless design features a gently sloped surface with a satin finish.

The Toronto Baby Bath Sink includes a 50mm plug and waste and can be inset into a benchtop for overmount installation.

IMPORTANT: Product design specifications are subject to change without notice and may vary from those shown.
