Discover the perfect match for your dream shower with our Wall Panel Sample. If you're looking to explore the various shower wall panel options first-hand, this sample is the ideal choice. Available in five colours and patterns, you can feel and gain valuable insight into your future shower wall panel. Our waterproof shower wall panels are crafted from light and durable PVC, ensuring they stand the test of time. With floor-to-ceiling height and multiple size options, these panels offer a fantastic alternative to traditional bathroom tiles. Please note that this listing is for 1 sample piece. Each sample should be purchased separately. You can easily add the samples you're interested in to your cart and proceed to checkout to complete your sample order. Samples shown may vary slightly from the actual product, as each batch might have slight variations. Additionally, each sample may have a unique pattern. Variations must be expected. Please be aware that colours displayed on your monitor may differ slightly from the actual product due to variations in monitor settings.
