The Wall Panel External Trims assist you to create a full wall of protective lining for your bathroom shower. Simple and flexible to install, these external grey trims can be paired with the our 1000mm shower wall panels to achieve a secure waterproof fit and a seamless look. Our range of waterproof shower panels are a great cost effective alternative to traditional tiles, they are also easier to clean and maintain. Cleaning is an ease with no grout lines that can catch soap residue or chip away in time.
