The Wall Panel L Trims in a white finish help you to create a full wall of protective lining for your bathroom shower. Easy and flexible to install, these L trims can be suited with our 1000mm waterproof shower wall panels to provide a tight waterproof installation and a modern style. A full wall of shower panels make it easier to clean and maintain than a traditional tile wall. Cleaning is a breeze with no grout lines that can catch soap residue or chip away in time.
