The Wall Panel H Trims in a beige finish assist in creating a full wall of protective lining for your bathroom shower. Easy and flexible to install, these H trims can be paired with our shower wall panels in a 1000mm size to ensure a waterproof fit and a seamless look. A full wall of waterproof shower panels make it easier to clean and maintain than a traditional tile wall. Cleaning is easy with no grout lines that can catch soap residue or chip away in time.
