The Wall Panel External Trims in a beige finish allow you to create a waterproof wall of protective lining in your bathroom shower. These PVC trims are easy to install and can also be suited to shower wall panels in a 1000mm size to achieve an efficient waterproof solution and a seamless look. Our waterproof shower panels are easy to clean and maintain compared to traditional wall tiles. Cleaning your shower walls is a breeze with no grout lines that can catch soap residue or chip away in time.
